

Granite State Clean Cities Coalition Partnership Agreement

The Granite State Clean Cities Coalition (GSCCC) works to reduce petroleum consumption in transportation through outreach, education and partnerships.

The organization below wishes to express its commitment to, and support for, the Granite State Clean Cities Coalition's efforts to promote the use of alternative fuels, advanced technology vehicles, and other Clean Cities strategies to reduce dependence on petroleum in the transportation sector. I/We support the Clean Cities goals of increased energy security and improved air quality.
